

SIMOCODE-DP Library Migration (legacy) function block and faceplate for installation of SIMOCODE-DP in the process control system PCS 7 for PCS 7 Version V9.0 SP3 engineering software for one engineering station single license including runtime software for execution of the AS block in an automation system
German/English type of delivery: OSD email address is required

General technical data		
product designation		SIMOCODE DP Migration component library
national language of the software		german / english
product license		Single License for 1 engineering station, Single License for 1 automation system
software class		A
target system		SIMATIC PCS 7; SIMOCODE DP 3UF5

Features		
product component component library		Yes
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function - Product function maintenance function - product function evaluation function - product function parameterizing function		Yes No Yes Yes No No Yes No Yes Yes No No No

Requirements		
design of the drive/storage medium required - CD-ROM - floppy disk - DVD drive		No No No
Graphics card		
Software		
browser software required		no
viewer software required		no
