

SIMOCODE-DP Library Migration (legacy) function block and faceplate for installation of SIMOCODE-DP in the process control system PCS 7 for PCS 7 Version V9.1 engineering software for one engineering station single license including runtime software for execution of the AS block in an automation system German/English type of delivery: OSD email address is required

General technical data				
software version		V 9.1		
product description		Engineering software for SIMOCODE DP, software download, AS blocks and faceplates for integration into the SIMATIC PCS 7 process control system		
national language of the software		german / english		
product license		Single License for 1 engineering station, Single License for 1 automation system		
software class		A		
target system		SIMATIC PCS 7; SIMOCODE DP 3UF5		
Features				
product component component library		Yes		
• product function diagnostics function • product function controlled positioning • product function simulation function • product function technological function • product function analysis function • product function movement function • product function data acquisition function • product function commissioning function • product function communication function • product function project planning function • Product function maintenance function • product function evaluation function • product function parameterizing function		Yes		
		No
