

PCS 7 block library, SIMOCODE pro V7.X, AS blocks for integration of SIMOCODE pro in the process control system PCS 7 for the PCS 7 version V7.X, runtime software for execution of the AS block in an automation system, Single License License without software and documentation

General technical data			
software version			V 7
product description			Runtime license for SIMOCODE pro for execution of AS blocks in one automation system
national language of the software			german / english
product version			runtime software
product license			Single License for 1 automation system
operating system required			SIMATIC PCS 7 V 7.0 / V 7.1
software class			A
target system			SIMATIC PCS 7, SIMOCODE pro C / V
Features			
product component component library			Yes
• product function diagnostics function • product function controlled positioning • product function simulation function • product function technological function • product function analysis function • product function movement function • product function data acquisition function • product function commissioning function • product function communication function • product function project planning function • Product function maintenance function • product function evaluation function • product function parameterizing function			Yes
			No
