

PCS 7 block library SIMOCODE pro Migration Legacy V7-V10
Runtime AS blocks for integration of SIMOCODE pro C/S/V into the
process control system PCS 7 without APL for PCS 7 Version V10;
runtime software for execution of the AS block in an automation
system (single license); license without software and
documentation; type of delivery: OSD software download, email
address is required

General technical data		
software version		V 10
product description		PCS 7 Lib SIMOCODE pro Migr V10 RT
national language of the software		german / english
product license		Single License for 1 automation system
operating system required		SIMATIC PCS 7 V 10
software class		A
target system		SIMATIC PCS 7, SIMOCODE pro C / S / V

Features		
product component component library		Yes
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function - Product function maintenance function - product function evaluation function - product function parameterizing function		Yes No Yes Yes No No Yes No No No No No No

Requirements		
design of the drive/storage medium required - CD-ROM - floppy disk - DVD drive		No No No
Graphics card		
Software		
browser software required		no
viewer software required		no
